

CHOMP

by
Jason Brubaker

Sorry, I should have
grabbed it when I first
saw it.

It's not your fault,
Vonna.

It was my idea to
take the Sand ski.

Okay, so it is
partly your fault.

But there's nothing we can
do to change the situation, can we?

Well...

We can have
breakfast!

GRUMMCH
GRUMMCH,

What are you doing, Sithrah?
Do you see anything?

Yes, but they are
to be ignored.

They?

What do
you mean,

They?

Can any of them help us?

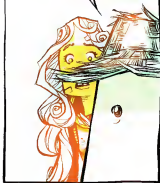

Dino's right. The only ones
who will help are those who
want something from you.

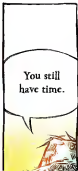

They are all curious of humans
because of what you have.

What do
we have?

You still
have time.

Time for
what?

To choose.

What's
he saying?

Something
about us still
having time
to chose
something.
I don't get
it, though.

Did he say
anything about
the Author
or The End?

What are you
talking about?

"You **MUST** be careful
with what you are thinking
because the anathema who
have already abused their
power will gladly answer
your call.

But they can only really
serve The End.

They will appear to be
whatever you want them to
be just to have access to you
and your soul.

Never.

Never.

NEVER ask them
for help. Don't even
entertain the idea. The only
one you should ask is the
Author."

The
Author?

The
Author!

Yes!

I already
told you.

Ask the
Author.

But I asked
YOU for help
and you're
good, right?

You didn't
ask for my
help.

I was sent.

Even if another
Sithrah comes to
you and tells you
differently, don't
believe them.

We can all be
tricked.
